

YOUTH OUTING IDEAS

We have included some of our Youth VPs favorite outings. Hopefully, you have one of these in your neighborhood. If not, utilize your local entertainment facility or create your own adventure. We only require you have FUN and ENJOY each other.

Unapologetically
ME

Note: Consider hosting an outing for all the youth of your church. Please ensure your guest list includes active and non-active members. This is a great way to jumpstart your small group community. If funds are an issue, ask some Christian Education supporters if they can help sponsor a young person.
