The Connectional Youth Ministry (CYM) invites CME local churches to celebrate **"CME World Youth Day"** on Sunday, July 24, 2022. Traditionally, this is celebrated as Christian Youth Fellowship Day but this year.... we are making **bold moves**. *CME World Youth Day* is a unique way to deepen your faith and grow closer to Christ together with thousands of other young people who share your interests and ambitions. We are excited to begin this new quadrennium calling all young people (12-17) from the East Coast to the West Coast to be on one accord as we broaden our understanding of ministry to youth and seek to bring about a global impact.

It is the desire of CYM that we will **"Release and Be Bold"** in worship, witness, service, and outreach. Every local church, no matter the size, is asked to dedicate Sunday, July 24th to ministry opportunities for young people connected to your church and the community. But wait, there is more! As a bonus, we're including Friday, July 22nd and Saturday, July 23rd to help facilitate more engagement. Allow youth to creatively plan every aspect of the worship, fellowship activities to connect with their peers and participate in out-reach and/or in-reach projects.

For more details and recommendations on how to celebrate CME World Youth Day, visit our website www.cmecym.org/cmeworldyouthday. Don't forget to take pictures, write articles, partner with other CME churches, and share your experiences on social media using our hashtags **#CMEWYD** **#CMECYM** and **#IAMCME**. We just might feature your church on our website.

We are committed to remind this generation to **"Release and Be Bold"**. It starts with facing now, embracing next and seeing new as young people. Join the movement!!!
